

# Are you a future scientist or engineer?

# ASE

## Why spend your summer with ASE?

- Learn about scientific & engineering careers
- Enhance your college application
- Gain valuable work experience
- Meet other students who love science and engineering
- In some cases, receive a \$1,000 stipend & school credit

Plan now to apply for a summer 2012 internship with the ASE program!

Saturday Academy's ASE Program offers 9-11th grade students the opportunity to work with scientists and engineers for eight weeks, full-time, during the summer.

**Application available in October.**
